Swedish 18th Century Rococo Secretary

£5,300.00

W: 124 cm (48 13/16")
H: 203 cm (79 15/16")
D: 57 cm (22 7/16")

Beautiful Swedish 18th Century period Rococo secretary.

This charming two-part secretary features a pronounced bonnet top pediment over two panelled doors. The top interior is fitted with three shelves.

The bottom section offers a fall-front that drops down to reveal a weighting desk, as well as various small drawers, a central cupboard door, and cubby holes.

Below are three graduated drawers with their original decorative hardware.

Finished with carved bracket feet. The white paint that covers the whole has gently distressed with attractive effect.

This piece embodies Swedish elegance. It will be a lovely storage piece in any interior.
