Large-scale 19th Century gilt overmantle mirror.

This English mirror reflects the gothic style and has a great decorative presence.

The gilded rectilinear frame features a stepped cornice decorated with repeating ebonised stars, whilst the arched main frame is flanked by pierced corners.

Ebonised panels on either side of the mirror plate are adorned with quatrefoil motifs and the whole is finished on squared corners.

Retaining its original lightly foxed and aged mirror plate.

This striking mirror will make a statement in any interior.
