## Italian 19th Century Carved Crown

**£7,800.00**

W: 140 cm (55 1/8")  
H: 130 cm (51 3/16")  
D: 140 cm (55 1/8")

Very decorative early 19th Century Italian crown.

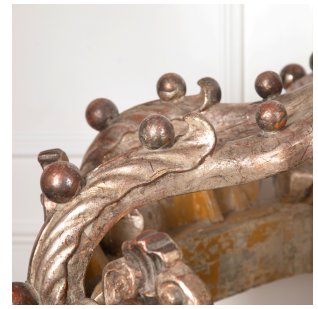

This large crown is superbly carved throughout and silver gilded. It terminates in a hexagonal carved base with a carved crest and arms with decorative applied ball decoration.

The whole raises to a spiral apex that meets the hanging chain.

With a beautiful aged patina and an opulent glamour, this crown will make for a one-of-a-kind interior statement.
