£4,800.00

Wonderful pair of English brass standing lanterns, circa 1920.

These lanterns have a tapered glazed body with an opening door and a finely pierced chimney. These chimneys are topped with a cast brass flame.

The glass panels are smoked so that they are able to generate a warm light.

They are sat on heavily weighted brass lamp-post bases with cast brass lion paw feet. These lanterns bring a great ambience to any room because of their height and warm colouring.

Both are in great and original condition.
