Pair Of Framed Birds

£780.00

W: 32 cm (12 5/8")
H: 38 cm (14 15/16")
D: 2 cm (0 13/16")

Lovely set of prints by Eleazar Albin.

These prints depict two different birds with attractive detail and coloring. One print represents a crow and the other a dove.

Eleazar Albin was an English naturalist and watercolour illustrator who wrote and illustrated many books. Albin is described as one of the greatest insect and bird illustrators of the 18th Century.

A fascinating gift for an admirer of nature.

Materials & Techniques: Paper
Condition: excellent
Period: 18th Cent and Earlier
