## Pair of 20th Century Italian Terracotta Pumpkins **£1,250.00**

W: 29 cm (11 7/16")  
H: 20 cm (7 7/8")  
D: 27 cm (10 5/8")

Charming pair of decorative pumpkins.

Originally from Italy, this pair display typical mid-century techniques used to shape and form earthenware items.

These pumpkins are made from quality terracotta and both have a great weathered patina.

A super fun pair for any garden interior...especially during the October months!
