## Set of English Majolica Ware

**£350.00**

W: 25.5 cm (10 1/16")  
H: 28.5 cm (11 1/4")  
D: 5 cm (2")

Collection of seven English Majolica ware dishes, circa 1860.

Each dish features an attractive leaf motif.

A mixture of coloured green glazes make these an attractive set that would look appealing hung together on a wall or grouped on a buffet or side table.

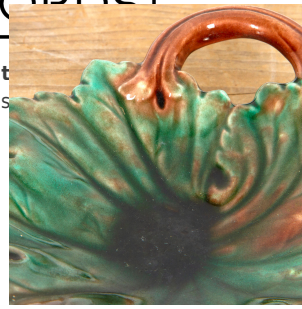

Dishes such as these would have been produced as part of the Victorian revival for Majolica in England in the 1850's.

Two out of seven of the set have historical minor chips which are unnoticeable to the naked eye.

The largest dish measures 28.5cm w, 25.5cm d and 5cm h.

Materials & Techniques: Ceramic  
Condition: Good  
Period: 19th Cent
