Stunning early 19th Century Gustavian bench.

This Swedish bench has a wonderfully shaped back which is decorated with reeded diamond detailing.

This Gustavian sofa is decorated with striking finials to each corner.

With a moulded apron, this sofa rests on round-turned legs.

The seat of this sofa is deep, this is because the seat lifts up to reveal storage space.

With a pleasant aged and distressed patina, this bench has a timeless appeal for any setting.
