Lovely pair of fine quality French kingwood nightstands. Circa 1930s.

The kingwood veneers on these stunning nightstands are cut to create a decorative herringbone design.

Each nightstand offers two drawers that have their original brass pulls. Both drawers run with ease.

They also have golden marble tops and are raised on gently swept cabriole legs.

This very elegant pair will bring refined glamour and beauty to any interior.

Materials & Techniques: Kingwood
