Swedish Early 19th Century Buffet

£4,900.00

W: 137 cm (53 15/16")

H: 147 cm (57 7/8")

D: 53 cm (20 7/8")

Early 19th Century Swedish buffet with a galleried top.

This buffet has an elegant form which is highlighted by the curved corners.

It has one drawer to the very top which sits within the curved frieze.

Below are two panelled cupboard doors which open to reveal shelved storage and a spacious interior.

To each side of this buffet, there are reeded cupboard doors that open to further storage.

With attractive gently distressed white paint throughout and its original lock and key.

A timeless piece of storage furniture that will be ideal for a kitchen or hallway.
