## Spanish Painted Table

**£3,200.00**

W: 179.5 cm (70 11/16")  
H: 75.5 cm (29 3/4")  
D: 73 cm (28 3/4")

Decorative 18th Century Spanish table.

This lovely table has its original ironwork stretchers that support two carved sides and extending top. This table benefits from having two extra leaves that were added in the 1920s to increase the size and practicality.

It is painted white so that it will be able to suit all interiors and shall have a clean, timeless look for many years to come.

A very handsome table that is also very practical.
