19th Century Bow Backed Leather Seated Chair **£750.00**

W: 65 cm (25 9/16")
H: 71 cm (27 15/16")
D: 40 cm (15 3/4")

Late 19th Century leather seated chair.

This chair is in the style often called "Smokers Bow".

With great signs of wear and patina throughout, this chair exudes English country charm.

It is believed that this chair may have been hand-built using parts of earlier chairs because of its defined lines and joins.
