Fantastic set of eight harlequin English Country House chairs.

This characterful set includes two carvers and six chairs. They all have a slender frame with beautifully turned vertical splats that emulate 'bobbin' styles and techniques.

Each chair has a fantastic, time-worn patina that is emphasised by the rich yew wood highlights throughout.

This set of chairs exude character and charm because of their slightly warped but comfortable appearance, as well as their warm patina. They will look great within a pub setting or farmhouse.
