19th Century French Sea Shell Mirror **£595.00**

W: 28 cm (12")
H: 40 cm (15 3/4")
D: 3 cm (1 3/16")

19th Century French sea shell dressing table mirror.

It is beautifully elegant because of how it stands tall. It also has its original mirror plate.

It is wonderfully time-worn with some signs of staining to the backing, but this is commensurate with age and use.

Will make for a great wall or dressing table mirror within any interior.
