## 19th Century Billiard Light

**£14,500.00**

W: 250 cm (98 7/16")  
H: 0 cm  
D: 140 cm (55 1/8")

Superb 19th Century brass and steel billiard light.

This six-branch billiard light has now been converted and electrified and is in the Arts and Crafts style.

This is a particularly stunning example of the iconic country house billiard light. It features beautiful, ornate, scrolls forms and brass ball finials to give it a great decorative presence.

A fabulous feature in period and contemporary settings alike!

Materials & Techniques: Brass  
Condition: Good  
Period: 19th Cent
