## 19th Century Zinc Mirrors

**£850.00**

W: 60 cm (23 5/8")  
H: 64 cm (25 3/16")  
D: 28 cm (12")

Pair of decorative French 19th Century zinc mirrors.

These attractive mirrors are in the 'Oeil-de-boeuf' style and when anglicized represent an ox-eye window, which is relatively small and elliptical.

Originally from an upper storey of a French rooftop building. The circular mirror plate is a later addition.

They have a lovely aged grey-blue patina to the zinc. This mirror will provide an unusual and very decorative touch in any room.

Materials & Techniques: Zinc  
Condition: Fair  
Period: 19th Cent
