Gothic Pine Long School Desk

£1,750.00

W: 254 cm (100")
H: 74 cm (29 1/8")
D: 46 cm (18 1/8")

Impressive English gothic pine school desk dating to the late 19th Century.

This charming desk has long proportions with three cross-form trestle supports and a turned longitudinal stretcher.

This desk was originally in a school in Chipping Norton and would have been used for writing practices within a classroom. In today's home, it will make for a characterful console or side table.
