Fantastic 19th Century French verdigris copper hanging lantern with chain.

This is a fabulous 19th Century French fully glazed convex verdigris lantern, that features a hanging hook above a beautiful-pierced frame with a chain 74 cm. The decorative chain compliments the lantern beautifully, with its super handcrafted oblong link.

The main body of the lantern tapers away from the top to the bottom to reach a detailed handcrafted base with finial all featuring a fantastic green, weathered patina.

This lantern was originally lit by candlelight, now converted to electric bulbs, rewired.
