## 18th Century English Oak Settle

**£2,400.00**

W: 178 cm (70 1/16")  
H: 109 cm (42 15/16")  
D: 51 cm (20 1/16")

18th Century English oak settled with a high back.

The unusual format of five fielded panels at the back mirrored on the front panel and having open arms.

Settles were generally placed by the large open fireplaces in country houses and inns. Usually, characterful pieces as they got heavy use, so they can have the most amazing charm about them.

Nice colour and design.
