Set of Six 19th Century Dining Chairs

£1,880.00

Fantastic set of six 19th Century dining chairs in the Regency style.

This attractive set features slatted backs with open arms and caned seats. The cane seats are in great condition for their age with bobbin legs and banded decoration throughout.

These chairs have been later painted but this does not detract from their original Georgian charm.

A great set of chairs that would suit both classic and contemporary interiors alike!
