Pair Of 19th Century Gilt Console Tables and Mirrors **£12,850.00**

W: 110 cm (43 5/16")
H: 285 cm (112 3/16")

Fantastic pair of 19th Century gilt console tables with gilt mirrors of impressive form and size.

These decorative pieces have been brought back to life after the console tables were found in a poor condition with their marble tops broken. Both tables date to around 1825.

The mirrors are a later addition, but when placed together with full restoration and their replacement white Carrera marble tops, this set would look stunning and would be a great addition to any home!!
