Set of Twelve Arne Jacobsen Chairs by Fritz Hansen **£3,250.00**

W: 49 cm (19 5/16")
H: 72 cm (28 3/8")
D: 0 cm

A rare matching set of twelve Danish chairs designed by Arne Jacobsen for Fritz Hansen who influenced designers and architects around the world.

The 'series 7' chair was manufactured by Fritz Hansen and first produced in 1955.

All of these chairs have their manufacturer marks and are dated 1973. Made from 9 layers of pressed moulded veneers making an iconic chair that's elegant in shape and disguises its remarkable strength and comfort.
