Set of Twelve Regency Mahogany Dining Chairs

£11,500.00

W: 46 cm (18 1/8")
H: 87 cm (34 1/4")

Set of twelve early 19th Century Regency mahogany dining chairs.

This is a really fine set of chairs, they have sabre legs, and they are well drawn with good proportions. All are crisply carved and they are made of fine close-grained mahogany.

These chairs have the early type of close reeding on the top of the rails, across the front rail, the top of the arms and on the inside of the back supports.

These chairs are a delight.
