19th Century French bujadier.

This lovely pot dates to the mid 19th Century and has weathered beautifully with time and shall continue to do so if left outside.

It has a lovely etched design on the surround that is delicate and decorative with its original washing port below.

This will make for a superb planter or being used as a water feature inside or out.

Materials & Techniques: Terracotta
Condition: Good
Period: 19th Cent
