## 19th Century French Book Press

**£395.00**

W: 38 cm (14 15/16")  
H: 35.5 cm (14")  
D: 32 cm (12 5/8")

Beautiful 19th Century French cast iron book press.

This highly decorative iron "Presse a Relier" features foliate and beaded decor, the top is connected to the manual screw controlled by a wide top handle also beautifully decorated. The top plate features red painted banding.

It is black with a rich bronze patinated painted finish. This wonderful accessory would look perfect in a study, library or den!

Originally this device was used to press book sheets together before binding. It is in full working order.
