First Edition Prints - 'Description de L'Egypt'

£695.00

W: 63 cm (24 13/16")
H: 80 cm (31 1/2")
D: 2 cm (0 13/16")

Framed early 19th Century first edition prints - 'Description de L'Egypt'.

After Napoleon conquered Egypt in the early 1800's he sent teams of artists down to Egypt to record everything there from the flora, fauna, local costume, architecture, and excavated antiquities.

These prints are from the most desirable section of the publication and from the first edition.

Priced individually.
