### RE-PURPOSED: THE CUSHION COLLECTION FROM LORFORDS CONTEMPORARY

Introducing Lorforde Contemporary's debut collection of luxury cushions, each individually handmade using surplus fabric leftovers from completed upholstery designs used in the showroom or for marketing purposes.

Created to help minimise the textile waste from its workshop, this collection offers a range of cushion sizes featuring our sustainable vintage cloth.

Each cushion is filled with responsibly sourced pure feather and down, and finishing details are added by Lorforde Contemporary's in-house seamstress using trims and piping sourced from sustainable textile brands.

50% of proceeds from each cushion sale are donated to charity.
