## 19th Century Carved Console Table

**£4,800.00**

W: 91 cm (35 13/16")  
H: 94 cm (38")  
D: 45.5 cm (17 15/16")

19th century carved console table supported by three cherubs. The present table bears similarities to an 18th century Italian console table sold from stowe in 1848 and now the Wallace Collection. The stowe table had originally been sold to Lord Hertford by the cabinet maker and dealer, Town and Emmanuel, so it is possible that the firm was responsible for the manufacture of this table.
