## Pair of Gilded Side Cabinets

**£24,000.00**

W: 117 cm (46 1/16")  
H: 89 cm (35 1/16")  
D: 51 cm (20 1/16")

A pair of Mid-19th Century gilded side cabinets with marble tops.

This pair are of superb quality, very much in the French style.

Although not entirely in the Louis Quatorze style, these cabinets incorporate many of its motifs.

Such a splendid pair as these would likely have been intended for one of the sumptuous London townhouses of the period, or a country home.
