## Biplane Print £850.00

W: 50 cm (19 11/16")  
H: 770 cm (303 1/8")  
D: 0 cm

Finely painted and very detailed Biplane print. A designer's illustration from the mid 20th Century.

The biplane, had two wings, one above the other. The Wright brothers' biplanes essentially ushered in the era of powered flight, and these planes played a huge role in commercial and military aviation from the First World War through to the 1930s.

Condition: Good  
Period: 20th Cent
