

ST7359944

19th Century Adjustable Music Stool

£650.00

W: 35 cm (13 3/4")
H: 58 cm (22 13/16")
D: 50 cm (19 11/16")

Late 19th Century cast iron cross-frame music stool, with brass mounts.

This charming stool features an interesting turn-screw mechanism, which allows the seat height to be adjusted.

This stool has been recovered in a soft grey leather seat pad with studding.

Sturdy and good quality frame.

Materials & Techniques: Cast iron
Condition: Good
Period: 19th Cent
