## Louis XVI Card Table

**£1,650.00**

W: 84.5 cm (33 1/4")  
H: 77 cm (30 5/16")  
D: 84 cm (33 1/16")

Louis XVI mahogany card table.

This table is typical of late 18th Century French furniture, where the use of mahogany as the sole timber in a piece of furniture came into practice.

This card table is of simple and elegant design. The fold over top is lined with green baize and supported on square tapered legs with brass castors.

With great patina to the mahogany and brass accents, this is a lovely classic piece of French furniture.

Materials & Techniques: Mahogany  
Condition: Good  
Period: 18th Cent and Earlier
