Eames EA 124 and 125 Chair and Stool

£1,500.00

W: 58 cm (22 13/16")
H: 104 cm (40 15/16")
D: 75 cm (29 1/2")

The aluminium chair EA 124 and EA 125 is the quintessential lounge model in the Aluminium Group by Charles and Ray Eames. This example in white leather represents the top of the range of 1980's manufacture. The chair's extraordinary comfort results from the extra-high backrest and head cushion in combination with the tilt mechanism, which can be adjusted to the user's weight.

Materials & Techniques: Leather
Condition: Excellent
Period: 20th Cent
